- View the study support video referred to in your control sheet again – this time focusing on the exam technique aspects.
- View the study support video – [Professional marks – the difference between a pass and a fail](#) to better prepare you for questions in the real exam.
- Read the exam technique articles – [Exam technique for Paper P2, Passing the professional level papers](#) and [How to earn professional marks](#) again – this time using the techniques to help you practise questions
- Make sure you read the [study skills articles in Student Accountant](#) covering topics such as how to overcome exam anxiety as well as checking the [Student Accountant Hub](#) for any new technical articles related to P2
